CAREER EXPERIENCES

Veterinary Assistant

SPANAWAY VETERINARY CLINIC | JUNE 2022 – MARCH 2022

- I worked with many animals and people throughout the career bringing lasting relationship. I was put in charge of updating team members on current events. I went from part-time employee to full-time within five months. During my experience I cleaned kennels, dealt with animals, operated X-ray machines, handled prescriptions, and assisted with both post and pre operations.

Sales Associate

ZUMIEZ | MAY 2016 - MAY 2017

The professional experience section should be tailored as much as possible to the target position and should focus on those key areas that relate to your desired career goals.

- During my time at Zumiez I became a complete sales associate that strove to take on new tasks. I provided a lasting service for customers by building lasting relationships.
